

Advanced Module Online

We are now able to offer an online, blended learning, version of the Advanced Module training. This course is split into three parts:

- **E-learning** - this independent learning takes between 4 and 7 hours to complete. It can be completed in smaller sections and does not have to all be done at once. It is completed using online learning platform TheologyX.
- **Handbook** – to support learning during the Advanced Module, and for further study and resources.
- **Gathered Session** – a 2-hour group session via Zoom to consolidate learning from the e-learning.

Please Note: the e-learning **MUST** be completed before attending a gathered session and **ALL** parts of the learning must be completed in order to receive a certificate.

We are offering the following gathered sessions:

Tuesday 21st June, 2022: 7pm - 9pm

Thursday 21st July, 2022: 7pm - 9pm

To book your place, fill out the booking form here:

[June/July 2022 - Advanced Module Online: Booking Form \(google.com\)](#)

Bookings for the gathered session will close two weeks before the session to allow time for the e-learning to be completed.

Places on the gathered sessions will be allocated on a first come, first served basis and are limited to twenty one participants per session. Once you have been allocated a place on a gathered session you will be registered for the e-learning via learning platform TheologyX - an email will be sent to confirm this.

If you have any questions, or need any further information, about the training contact Jenny Prior: neregsafe.office@gmail.com
